

# 2019 Managed Care Seminar

## Creating a Myopia Management Practice Focus: Best Practices to Adopt

Battleground Country Club  
1 Covenhoven Road  
Manalapan, NJ 07726

December 11, 2019

7 Hours of COPE Regular CE (Pending)

### GETTING PAID FOR TECHNOLOGY

Rebecca Wartman, OD

Technology has been opening opportunities for diagnosis earlier and more definitively. This course will cover the current and emerging technologies as they relate to CMS and CPT reimbursement policies.

### MYOPIA CONTROL UPDATE

Alan Glazier, OD

Myopia control is quickly becoming a new standard of care for our patients. This course will review the history of and basis for the science of myopia control, methods of myopia control backed by peer-reviewed research, as well as how to apply the treatments in clinical settings.

### THE BUSINESS OF MYOPIA CONTROL

Alan Glazier, OD

This course aims to teach attendees how to build a myopia control practice and will include tips on fee structure, marketing, strategy, and business implementation.

### 12 TIPS FOR SETTING UP A MYOPIA CONTROL PRACTICE

Nicholas Despotidis, OD

An increase in myopia has been documented by the World Health Organization. Studies have identified different modes of vision correction which minimize myopia progression, yet clinicians have been slow to integrate them into their practices. 12 Tips for Setting up a Myopia Practice will discuss real-life implementation myopia control modalities like orthokeratology, bifocal contact lenses, and atropine eye drops. Attendees will obtain a working knowledge of treatments available to them to correct myopia, while making every effort to halt its progression in children.

### CODING CHANGES YOU NEED TO KNOW FOR 2020

Rebecca Wartman, OD & Harvey Richman, OD

You may have heard lots of discussion on the impending doom of E&M services. This course will set you straight on these codes as well as provide input on other changes in CPT and ICD-10 for 2020.
