

SUMMER CONTINUING EDUCATION

WEDNESDAY, JULY 13, 2022

7 HOURS NJSBO CREDIT/COPE CREDIT

NJSOP & The Breakers' Health and Safety Protocol

- The Breakers on the Ocean is committed to providing an experience that is in full compliance with all federal, state, and local health department regulations with protocols to benefit the health and safety of their guests, employees, and community. The Breakers is taking safety measures and they are asking guests to support their common goal of maintaining a safe and responsible environment. In addition to their already rigorous cleaning procedures, they have elevated their cleanliness standards and sanitization procedures to meet the new health and safety challenges presented by the current environment.
- The meeting and dining rooms will be set in accordance with the capacity limits and/or restrictions in place the day of the event.
- **The NJSOP recommends social distancing & masking.**
- The NJSOP will supply hand sanitizer at the registration desk. All attendees are asked to sanitize their hands upon arrival and throughout the event.

Marilyn Vricella, OD

Dr. Vricella is a graduate of SUNY College of Optometry where she is currently an associate clinical professor in the Pediatrics and Infant Vision Department of the University Eye Center and the Pediatric Residency Director. Dr. Vricella has lectured both nationally and internationally and has numerous professional publications. She has been in private practice for over ten years and was recognized by Newsweek as one of America's Best Eye Doctors 2021.

Joy Harewood, OD, FAAO

Dr. Harewood is a graduate of the UC Berkeley School of Optometry. She has extensive experience in hospital-based eye care and for six years was the first fulltime optometrist performing inpatient consults at Northwell Health's Staten Island University Hospital campus. She was named the inaugural Director for Diversity, Equity, Inclusion, and Belonging at SUNY College of Optometry in 2020, along with being appointed as an Associate Clinical Professor.

Steven Sorkin, OD

Dr. Sorkin earned his Doctor of Optometry degree from SUNY Optometry. He currently serves as President of the Essex County Optometric Society and as a member of the Board of Directors of the NJSOP. He also serves as a member of the Medical Advisory Board of the International Keratoconus Academy. He is also a Fellow of the Scleral Lens Education Society. Dr. Sorkin was presented the NJSOP Optometrist of the Year in 2018 and the Distinguished Service Award in 2011.

SCHEDULE FOR WEDNESDAY JULY 13, 2022

8:00 am - 8:45 am	Registration & Continental Breakfast
8:45 am - 9:45 am	Covid-19 and the Eye Joy Harewood, OD - 1 hr NJSBO TPA Credit/COPE # 74079-SD This course will discuss COVID-19 and its effect on optometric practice, as well as the ocular manifestations of the disease. It will outline research into the effect of home-based lockdowns on ocular health.
9:45 am - 10:45 am	Updates in the Treatment & Management of Diabetic Retinopathy -- What Every Optometrist Should Know Joy Harewood, OD - 1 hr. NJSBO TPA Credit/COPE # 78766 This course will provide up-to-date information on diabetic retinopathy (DR). Emphasis will be on the ODs role in Diabetes by incorporating the latest in diagnostic modalities and therapeutic advances for vision-threatening diabetic retinopathy VTDR, proliferative DR and diabetic macular edema DME.
10:45 am - 11 am	Coffee Break with Exhibitors
11 am - 12:00 pm	Amblyopia Evidence-Based Management for the Primary Care OD Marilyn Vricella, OD - 1 hr NJSBO Regular Credit/COPE # 78768-FV This lecture reviews the evidence and discusses recent theories on amblyopia and the various treatment options available. Treatment options in children, the studies in clinical trials that support these treatment options, and how they can be implemented in patient care will be discussed. Each treatment option indications, advantages, and potential complications will be reviewed. Future therapeutic modalities that are on the horizon will also be discussed.
12 pm - 1 pm	Lunch
1 pm - 2:45 pm	Potpourri of Infant & Preschool Ocular Presentations Marilyn Vricella, OD - 2 hrs. NJSBO Regular Credit/COPE 78769-FV This course will discuss the diagnosis and treatment of the most common infant and preschool ocular conditions we face in primary care optometry.
2:45 pm - 4:25 pm	Contemporary Keratoconus Steven Sorkin, OD - 2 hrs NJSBO TPA Credit/COPE # 77314-TD This course provides a review of the pathophysiology, diagnosis and treatment options, and advancements in keratoconus.
